

Sun River Prenatal Health

Locations and Staff

Location:

Our practice has two offices,

1. 75 Washington Street (Lab located here)
2. 29 North Hamilton Street, Family Partnership Center 1st floor

Staff:

We have two certified nurse midwives and two ob/gyn doctors that are available for prenatal visits.

Other Visits:

- During your pregnancy, we will ask for blood samples to make sure you are healthy. The lab which collects the blood is located downstairs at our 75 Washington Street location.
- Your Sonograms will usually be done by DRA Imaging or MD Imaging
 - DRA Imaging located at 1 Columbia Street (Vassar brothers medical center)
 - MD Imaging located at 14 Raymond Ave
- For your birth, you will be sent to Vassar Brothers Medical Center. This is located at 45 Reade Place, Building B. Go in the main entrance and ask for the maternity department. There is a doctor on-call at all times to assist with your birth.

Contact:

- Nights, weekends, or emergencies, call our answering service at
